Who We Are

The Israel Society for Quality is a non-profit organization that serves as the professional home for quality, innovation and excellence experts in Israel

Our mission is :

- Help and encourage organizations and individuals to achieve business excellence through advocacy, education, promotion, and facilitating professional networking while keeping our ethics code of conduct
- Provide an Israeli forum for communication and collaboration with other similar organizations in the international arena and use the Quality professionalism as a platform for cooperation and well being anywhere

ISQ Facts and Numbers

- Founded in 1973
- Over than 1000 registered members
- Over than 160 registered experts (in a 3 stages professionalism ladder)
- 32 organizations with institutional membership
- 12 events of training and forums meeting annually
- Over 2242 certified quality and reliability engineers and managers
- 9 active committees

Enterprises

- Annual international quality conference
- Periodic professional enrichment seminars and webinars
- Conferences with the academy and colleges, industry, accreditation and standardization bodies and governmental authorities
- Sponsorship and active escort of the Yitzhak Rabin National Quality Award
- The ISQ web site that provides the virtual meeting place for the quality experts community in Israel, updates about upcoming events and links to useful articles and blogs
- Honorary certificates for individuals and organizations for outstanding contribution in the fields of quality and/or reliability

Professional Certification

- The ISQ maintains a professional certification framework for the following professions :
 - Certified Quality Engineer (ICQE)
 - Certified Manager of Quality and Operation Excellence (ICMQ)
 - Certified Reliability Engineer (ICRE)
 - Certified Quality Inspector (ICQI)

The certification framework includes:

- An independent certification committee for composing questions and exams check
- A defined body of knowledge and professional literature infrastructure
- Logistic and administrative effort of the exams management
- Sponsorship and supervision of the training programs

Training Programs sponsorship

- ISQ maintains strict impartiality standards regarding training activities and certifications
- ISQ has no business interest in the training program of any specific institution except objective supervision and advising where appropriate
- The ISQ Accreditation and Training Committee, grants sponsorship to colleges that offer training and preparation to certification exams in the fields of Quality and Reliability.
- The sponsorship related efforts are outlined in the following slide

Training Programs sponsorship – Con'd

- Review and approval of courses syllabus and their adherence to the ISQ bodies of knowledge
- Review of the lecturers background and performance
